4. Read the following passage and answer the questions that follow :

$$1 \times 4 = 4$$

Big Dams haven't really lived up to their role as the monuments of Modern Civilization, emblems of Man's ascendancy over Nature. Monuments are supposed to be timeless, but dams have an all too finite lifetime. They last only as long as it takes Nature to fill them with silt. It is common knowledge now that Big Dams do the opposite of what their Publicity people say they do – the Local Pain for National Gain Myth has been blown wide open.
