ABOUT THE COLLEGE

KL Mehta Dayanand College for Women Faridabad is acclaimed as one of the premier women's education institutions of Haryana. It was established in 1970 and named after its founder - Shri KL Mehta, a dedicated social activist and a man par excellence. He left no stone unturned to fulfill Swami Dayanand Saraswati's dream of leading the "Youth from darkness to light". The inception of girls institution of Higher learning as purely Arts College with 250 students eventually blossomed into multi-faculty post graduate College having 4000 students on rolls. To be in tune with the present times, the college has introduced many job oriented Add on courses approved by UGC as well. Due to multifarious attainments in academics and co-curricular activities and infrastructural renovations the college has become the pride of Faridabad, embodying the Hon. Prime Ministers vision of 'Beti Bachao Beti Padoo'. The credit for all around development of the institution goes to the tireless efforts of teaching and administrative staff under the perpetual inspiration of our Management headed by its Chairperson Dr. Vimal Mehta - the learned and dynamic wife of our revered founder Shri KL Mehta. "Still achieving, still pursuing" will ever remain our goal. The very nomenclature of our institution 'Dayanand' will serve as our beacon light.

ABOUT THE SEMINAR

Information technology has emerged as the most encouraging research area in every field. We can see the advancements in commerce, government organizations, healthcare, communication, education, entertainment, and environmental management. Information technology is indispensable for the growth of mankind. In this talk, we will focus on the recent developments in Information Technology, especially in the areas of IoT, Artificial Intelligence, speech and natural language processing and cloud computing. Many of these technologies are the result of new developments in computer architecture, artificial intelligence, machine learning and big data. We are living in an information age and information has dominance in our lives. Information technology has narrowed down the geographical and cultural boundaries. We are living in a boundary-less virtual world. Information technology is the key resource for the development of individual, society, community and the nation. Governments are investing heavily in Information technology research and development. Universities are concentrating on it as thrust area.

Insight into the evolution of technology and research innovations is essential for enhancements in Information Technology. Information technology has become an integral part of our daily life. IT has proven game changer in resolving economic and social issues. IoT, smart home tech. AR & VR machine learning, Automation, Humanized Big data are dominating technology in digital business. If we want the economy to benefit from the technologies, the technologies developed in the laboratories should reach the actual users. Then only our economy will transform to digital economy.

Advancement in sectors like telecom, IT, space research, and nuclear technology has benefitted mankind in large scale. Indians are also moving ahead towards digitization.

In this seminar, we will concentrate mainly on intelligent computing techniques as well as the emerging applications of information technology. The aim is to highlight the trends in advanced computational intelligence and bridging the gap between theoretical research and applications.

THRUST AREAS / SUB THEMES

- Artificial Intelligence
- Cloud Computing
- Decision Support Systems
- Ecommerce
- Machine Learning Theory & Methods
- The Internet of Things
- Speech, Image and Video Processing
- Knowledge Discovery & Data Mining
- Big Data
- Intelligent Sensor Networks
- Mobile Adhoc Networks
- Cyber Security
- Agile Testing

SUBMISSION OF THE PAPER

The papers, comprising 3000 words, with an abstract not exceeding 300 hundred words should be submitted latest by **27th January, 2018**. The paper may be sent as an E-mail : attachment by **5th February, 2018** in MS Word format at (klm.rait2018@rediffmail.com)

For any query, Please Contact: Ms. Shobha Chawla 7838008683
