One Day National Seminar On "Road Safety In India- Issues And Challenges"

K L Mehta Dayanand College for Women organised a National Seminar on “Road Safety in India- Issues and Challenges” Sponsored by DGHE on 31st January 2019.

The aim of seminar was to inculcate the traffic sense amongst the students and help them to reduce the rate of daily accidents. The Inaugural session began with lighting of lamp. Shri Lokendre Singh, DCP (Central Crime Traffic) was the Chief Guest. In his Inaugural address he emphasized on Road Safety measures and Traffic Management.

He raised various vital issues and concerns related to safety on road. In Technical Session -I, Shri D P Gupta, Former Director General Road Development, delivered a Keynote address on the topic: “Combating the evil of road accidents: some thoughts” Dr. S. Velmurgan, additional Secretary and Senior Principal Scientist, CSIR was the resource person and gave presentation on “Global road safety in India”.

In technical session II, Dr.Himani Jain, Senior Principal Scientist, CSIR was the resource person. She presented PPT on “Non-Engineering measures for promoting Road Safety”. The Valedictory session ended with the address of Chief Guest Sh. Resham Singh, retired IPS, followed by distribution of certificates.

Organised by Road Safety Club

K.L. MEHTA DAYANAND COLLEGE FOR WOMEN FB
Affiliated to M.D. University, Rohtak

ABOUT THE COLLEGE

K.L. Mehta Dayanand College for women Faridabad is acclaimed as one of the premier women's educational institution of Haryana. It was established in 1970 and named after its founder - K.L. Mehta, a dedicated social activist and a man of excellence. He left no stone unturned to realize Swami Dayanand Saraswati's dream of "Youth from darkness to light". The college, a pioneer of girl's institution of Higher learning as a College of Arts with 250 students eventually grew into multi-faculty post graduate college with 3400 students on rolls. To be in tune with the times, the college has introduced many job oriented courses approved by UGC.

Road safety club in our college came into existence in year 2013-14. Road Safety Club was established with the objective to hold continuous road safety sensitization programme in the college. The aim is to create awareness amongst students regarding rules of the road and make them safe and responsible citizens. The college organizes Inter and Intra college Competitions.

Credit for all around development of the college goes to the tireless efforts of teaching and administrative staff under the perpetual Guidance and management headed by its Chairperson Sh. K.L. Mehta. "Still achieving, Still pursuing" will be our motto. The very nomenclature of our college "Dayanand" will serve as our beacon.

ABOUT THE SEMINAR

In 21st century, our Economic development depends on Road and transport system. Everybody is a road user in one way or the other. The present transport system has minimised the distances but it has on the other hand increased the life risk. The Road safety is a multisectoral and multidimensional subject. It includes development and management of roads, provisions of safer - vehicles and comprehensive response to accident. Every country has its own road safety rules and regulations for the best interest of the citizen. For making the safety efforts successful we need to follow the rules persistently.

The Global status report on road safety 2018 released by WHO states that more than 1.3 million people die each year as a result of road accidents in the world. India accounts for more than 2 lakh of those deaths in road accident which is about 13% of total Fatality all over the world.

Our aim is to conduct the national seminar to provide road safety information for road user and reduce the rate of mishaps and fatality on our roads every year.

THRUST AREAS / SUB THEMES

- Causes and measurement of road Accidents
- Pedestrian safety
- Youth and road safety
- Role of government in Road Safety
- Cell phone - distracted driving
- Road safety awareness programme
- Attitude and perception towards traffic rules
